Why is Würzburg so popular? Many people come visit time and time again, not because of the location alongside the Main River and the ease of getting here. No, it has everything to do with the unique atmosphere that simply makes you feel good. It’s a special mix of culture and ambiance, of world heritage and wine festivals, of modern and classical music, of avant-garde and age-old traditions, of sciences and party atmosphere that makes this town so popular. The stunning historical architecture provides the perfect setting for everything Würzburg has to offer. There are many hotels and restaurants that are looking forward to your visit. – Enjoy the Franconian wine, a glass of Franconian sparkling wine and other culinary treats from the region.
The Residenz Palace –
A UNESCO World Cultural Heritage Site
Balthasar Neumann, Europe’s greatest architect of the Baroque era, built the Residence Palace. This former home of the prince bishops of Würzburg is nicknamed “the castle above all castles.” The grand staircase of the Residence Palace is deemed the most beautiful staircase in the world. Other renowned artists whose names are inextricably linked to this lovely city on the Main river are Tilman Riemenschneider and Giovanni Battista Tiepolo.

Almost Like Hollywood but Real:
The Towers of Würzburg
Würzburg is not a fake movie backdrop but a real, vibrant city. The view from the Fortress Marienberg across the many towers rising above the city – the cathedral, the Marienkapelle, the town hall, and the Käppele – is breathtaking and unforgettable.

The Museums: Visit, Experience, and Learn
At the Museum für Franken, you find a large collection of works by Tilman Riemenschneider. The Museum am Dom offers a unique collection of modern and contemporary art. The award-winning Museum im Kulturspeicher offers Concrete Art in a truly extraordinary setting. If you are interested in items from the antiquity, then visit the Martin von Wagner Museum. There is something here for any interest!
Fascinating Tradition: Franconian Wine, the Bocksbeutel and Typical Restaurants

Our recommendation: Quaint restaurants and traditional wine taverns offering local fare. Of course, you can also opt for international cuisine at five star restaurants. And don’t forget that this is one of the best wine-growing areas in Germany. So don’t miss the opportunity to sample a local wine from a Bocksbeutel bottle. This should be a mandatory part of any visit… For an up-close experience of the Franconian joie de vivre, visit one of the many local wine festivals, tour a wine cellar or participate in a wine tasting.

One in Four Residents is a College Student

Würzburg is home to about 36,000 college students. Wilhelm Conrad Röntgen once studied here and discovered X-rays that have transformed our lives. In 1901, he was awarded the Nobel Prize in Physics for his work. There are a total of 14 Nobel Prize winners that once studied and lectured at the university and helped further its excellent reputation. The University of Applied Sciences Würzburg-Schweinfurt offers 32 different Diplomas, Bachelor’s and Master’s degree programs. The University of Music Würzburg has produced many well-known musicians, among them the world-famous singers Waltraud Meyer and Diana Damrau.
Getting Here Is Easy:
We are Located in the Heart of Europe
As much as locals enjoy the Franconian heritage, they also take advantage of the easy access to the rest of Europe. Würzburg sits at the crossroads of numerous new and old traffic routes. Three major interstate highways intersect here: Autobahn A3 Cologne – Würzburg – Munich, Autobahn A7 Hamburg – Würzburg – Ulm, and Autobahn A81 Stuttgart – Heilbronn – Würzburg. Furthermore, there are 350 train departures daily, 70 of which are high-speed trains, and you are only an hour’s drive from the Frankfurt International Airport. If you like the water, you can take a boat trip on the Main river to Sommerhausen or a leisurely cruise to Veitshöchheim and the most beautiful Rococo garden in all of Europe. Since the Rhine-Danube canal opened, the Main river has taken off as a boat-touring destination. In 2017 more than 1,000 river cruises stopped in Würzburg. And don’t forget to explore the scenic Romantic Road. There is no shortage of great options here.

A Unique Setting: Mozart Meets Mozambique
Are you looking for classical music or African drum beats? We have got you covered! The Africa Festival in Würzburg is the largest African Culture Festival in Europe and Würzburg also hosts the acclaimed Mozart Festival, an outstanding classical music concert series. If you need more: There is the International Film Weekend, the Stramu Street Art Festival, the Bach Days, to name just a few.
Flower shows and futuristic gardens
Numerous exhibitors are to provide colourful and diverse flower shows. Changing exhibitions in the flower hall will be dedicated to floral specialities, spectacular plays of colour and current developments from the world of flowers.

Unusual future gardens will provide diverse inspirations of how we would like to live and reside in the future. For example, you will be able to view experimental types of housing, such as the flexible »Tiny Houses« which facilitate living in the smallest Garden), which represents an alternative concept to our »disposable« society. On the other hand, the »Garten der Vergangenheit« (Garden of the past) provides insights into the everyday life of the Americans who lived in the Leighton Barracks on the Hubland until 2008. And in the »Entschleunigter Garten« (Decelerated garden), your body, spirit and soul will have the opportunity to reconverge.

A location for innovations
A part of the Zentrum für digitale Innovationen Mainfranken (Centre for Digital Innovations Mainfranken, ZDI) will be moving into the »Gründerlabor« (Founder laboratory) at the heart of the Landesgartenschau site. For visitors to the garden show, it will be possible to look over the shoulder of creative agents within the regional start-up scene.

95 hectares of future
How do we want to live? How will we reconcile work, research, living and recreation in the future? How will nature and expansion coexist? Urbanisation with ecology? Is change the new green? With the motto "Where ideas grow" the Landesgartenschau Würzburg invites its visitors to address exactly these questions in a curious, playful, investigative and indeed amazed way manner from 12th April to 7th October, 2018.

In the sign of the butterfly, not only rare plants and blooming gardens are presented approximately two kilometres from the inner city of Würzburg and at eye level with the Marienberg Fortress, but also an entire location for new ideas. Here a new urban district, the Hubland, is being created on a plateau with an eventful history – featuring a large park, diverse types of housing and a social infrastructure.

The centrepiece of the Landesgartenschau site is the new city park, offering diverse experience sections and themed gardens, attractive play and activity areas and performance stages. Furthermore, visitors to the horticultural show can travel back in time: An exhibition will lead through an area which was once a potato field, then a runway for flight pioneers and finally a base for the US military forces.

Old Town and UNESCO World Heritage Site Residence Palace

The highlight of the tour through the Würzburg old town is a visit to the former residence of the prince-bishops of Würzburg. Balthasar Neumann built the Residence Palace at the beginning of the 18th century. It was officially declared a UNESCO World Heritage Site in 1981. Most impressive are the magnificent grand staircase with the breathtaking frescos by the Venetian artist Tiepolo and the Mirror Cabinet. The course of the tour can vary depending on the meeting place, final destination and accessibility.

UNESCO – World Heritage Site
Residence Palace and Court Garden

Since 1981, the Residence Palace is a UNESCO World Heritage Site. Particularly impressive is the magnificent staircase with the breathtaking frescos by the Venetian artist, Tiepolo, the Emperor’s Hall and the Mirror Cabinet. The Court Garden of the Residence Palace is divided into Italian, French and English garden areas. In the Baroque garden, there is much to be admired, such as the garden sculptures of Greek mythological figures by the sculptor, Johann Peter Wagner, along with the symmetrical flower beds, rising terraces and golden lanes.
Guided Tours of the Fortress Marienberg
The Fortress Marienberg is visible from seemingly everywhere in Würzburg. Originally, there was a Celtic palaic castle at this site. 704 AD the first Würzburg church was erected here. At the beginning of the 13th century fortifications were built around the church. The fortress was expanded and renovated several times during the Renaissance and Baroque periods. The walking tour visits the castle keep, the Scherenbergtor, the temple above the deep well from the Renaissance period, the dungeon of Tilman Riemenschneider, and the Fürstengarten with its magnificent views of the city. Due to renovation work, the actual guided tour may change.

Guided Tours with a Topic

Medieval Würzburg
The topic of this guided tour is Würzburg in the Middle Ages. You will learn about guilds and brotherhoods while walking the streets around market square where the craftsmen used to live. At the Cathedral of St. Kilian you get to marvel at several sculptures by Tilman Riemenschneider. Then the tour takes you past Riemenschneider’s former residence to the Alte Mainbrücke (Old Main River Bridge) and the fabulous views of the vineyards and the Fortress Marienberg. You will learn many interesting facts about medieval life and the peasants’ wars. Also covered will be minnesong since the remains of the famous minnesinger Walther von der Vogelweide are said to rest in the Lusamgärtlein at the Neumünster.

Baroque-Era Würzburg and the UNESCO World Heritage Site Residence Palace
The height of the city of Würzburg coincides with the baroque period. To this day, baroque era buildings dominate the town. The primary focus of this tour is a visit of the UNESCO World Heritage Site Residence Palace and its magnificent grand staircase and ornate halls. Along the way, visit the Schönbornkapelle designed by Balthasar Neumann and the Neumünster with its impressive façade. Plus there are also a number of secular buildings that stand out: First and foremost the building of the Juliusspital and its picturesque courtyard.

Jewish Life in Würzburg
Würzburg has been home to citizens of Jewish faith for more than 900 years. In the Middle Ages, Würzburg was an important center of Jewish faith and philosophy thanks to the Talmud School and its rabbis. In the following centuries times of persecution happened periodically. In the 17th century, the prince-bishops evicted Jews from the city and surrounding areas and it was not until the 19th century that a Jewish community got reestablished in Würzburg. The Nazi dictatorship eclipsed with the deportation of Jews to concentration camps. Today, the Jewish community of Würzburg is again 1100 members strong. The guided tour provides an overview of the religion and history of Würzburg’s Jews and visits important sights of town, such as the Juliusspital and the Marienkapelle.

Women in Würzburg
Some of Würzburg’s female residents have become famous well past the city limits. Well known names include Emy Roeder, Gertraud Rostosky and Margret Boveri. Many others have not come to fame. Yet all of them have helped shape the city, whether they did laundry, sold goods on the markets, were persecuted as witches or revered as nuns. The guided tour visits many of the famous sights of town and uncovers many little known surprises.

Witch-Hunts in Würzburg
Witch-hunts did take place in Würzburg. The height of the persecution was reached in the early 17th century when women were burned en masse. In those days, any citizen – regardless of gender or status – was subject to libel, which could mean death. The guided tour visits historical sights such as the Cathedral of St. Kilian, the Neumünster, and the town hall to illustrate the religious and secular causes of the witch-hunts of the 17th century.

The Mainviertel – Würzburg’s Oldest Part of Town
To this day, you can experience a piece of the original Würzburg in the Main- or Burkarderviertel. Historically, this is where the fishermen and craftspeople used to live. The guided tour takes you to the Deutschkirche (founded in the 12th century by the Order of Teutonic Knights), the former Hofspital (hospital) and the Romanic/Gothic era Burkarderkirche. Burkard, the first bishop of Würzburg erected a Benedictine monastery at this location in the 8th century AD. Also located in the Mainviertel is the first creation by Balthasar Neumann. Last but not least, explore the remnants of a 17th century water canal and its lock. The canal allowed larger vessels to avoid the smaller lock at the Alte Mainbrücke (Old Main River Bridge).

Walks in Nature & Culture
Aside from outstanding cultural sights – such as the Fortress Marienberg, the Cathedral of St. Kilian or the Residence Palace – Würzburg also has beautiful natural attractions. Specially trained tour guides can take you hiking on well-maintained trails:

The Würzburger Stein – Wine Cultivation, Ecology, City from Above
The famous German poet Goethe had wine from the Würzburger Stein shipped to his home in Weimar. Stein wine financed hospitals and foundations. And the view of the city from this world renowned appellation is simply breathtaking. This hike will immerse you into the core of the history of Franconian wine.

Horticultural Art in Würzburg - The Court Gardens at the Residence and the Ringpark
Take a walk through witnesses of horticultural art through the course of time. The 19th century Ringpark impresses with its great variety of native and exotic plants. The UNESCO World Heritage Site Residence Palace is the backdrop for the picturesque Court Garden.

Through the Park of the State Horticultural Show 1990 to the Fortress Marienberg
The 1990 State Horticultural Show was held at the base of the Fortress Marienberg. Many of the features of the displays are still there. A tour guide will walk you through the Siebold garden, the nature garden, the gardens of the nations as well as the rose garden.
Veitshöchheim Castle is located just 8 km down the Main River near Würzburg amidst one of the most beautiful Court Gardens in Germany. Up to the year 1802 it served as the summer residence of the prince-bishops of Würzburg. Worth seeing are the stucco works by Antonio Bossi, the sculptures by Peter Wagner and the living rooms of Ferdinand of Tuscany. At the ground floor there is a permanent exhibition informing about the history of the Court Gardens. The garden invites you for a leisurely stroll. Würzburg with "Schorsch"

Wine and hiking, cellar tour and culture, indulgence and going for a walk: Franconia has some of the best things to offer. You can choose between a big, historical wine estate such as the Staatlicher Hofkeller and a small family-operated winery, between an up-and-coming new wine grower and a traditional, worldclass wine estate. Wine, in all its colors and taste variations, simply is the number one topic here. The best introduction to Franconian wine is a cellar tour or a wine tasting. Or you can explore the cultural heritage of the appellation Würzburger Stein. Maybe you and your group prefer to visit one of the many local wine festivals. But don’t forget to enjoy a glass of our wine, or two. And the traditional Franconian wine bottle is the Bocksbeutel – it makes a great souvenir.
Cellar Tours
You can learn everything you have ever wanted to know about wine during the Bürgerspital’s public guided tours. The tour through the 700-year-old winery reveals the entire process, starting from the grape to the bottling into the Bocksbeutel (traditional Franconian wine bottle): Beginning at the wine press hall, through the cellar with modern stainless steel tanks to one of the most beautiful and oldest oak barrel cellars in Germany. It is a sight which delights, because it is here that the best wines mature. You need to give yourself some time out and travel back to 1540. The oldest authentic white wine in the world rests in the treasure chambers of the Bürgerspital. At the end of the tour, you will receive a small Bocksbeutel, which you can enjoy at home.

WineWorld Juliusspital

The charitable foundation, Julius-spital in Würzburg, was founded in 1576 by prince-bishop Julius Echter. The winery is part of this foundation and has always used the revenues to finance social projects. The cadre for the wine’s individuality lies in 180 hectares of vineyard properties in the most famous wine region in Franconia. Maximum value is placed on respecting nature – sustainability for the vines and responsibility for future generations.

Cellar Tours and Wine Tastings

Wine is a cultural treasure and wine consumption is a joy. Experience both during a 90-minute tour of the Juliusspital wine estate. Take a trip through more than 440 years of (wine) history and get an inside view of one of the largest wineries in Germany. Immerse yourself in the realm of the cellar master, experience the fascinating excitement between modernly designed wine press houses and a historical wooden cask cellar in the middle of an impressive endowment site. Wine has a passionate history for the Knoll family. The family has been cultivating wine in Franconia for five generations and, since 1980, has been situated here in the famous winegrowing area of the Würzburg Stein. Sandra and Ludwig Knoll give the highest priority to their ambition to produce top-quality wines from this prestigious area. The vineyards are cultivated bio-dynamically and the grape quality develops in harmony with nature. The basis for the quality of our wines is the vineyard, says Ludwig Knoll, and goes on to add „only that which we care for and preserve in the vineyard with intelligence and hard work can lead to great wines“. Fully ripe and healthy grapes are essential for the flavour and the fruit. A dialogue between innovation and tradition creates a modern architecture in addition to the wines themselves. The „WeinWerk am Stein“ is a place for encounters and tastings.

This innovative family vineyard in Würzburg-Unterdürrbäch is run by Christian and Martina Reiss. Modern and elegant wines from classic grape varieties are presented, with a focus on their show variety of Silvaner. In addition, the „new ways“ of wine ageing, such as the mash fermentation or ageing in amphorae, are a source of great interest and enthusiasm and these emotions are passed on to the customers through the wine. As well as wine tastings, guests will find an extensive program of events, such as cellar and vineyard tours, wine seminars, culinary tastings and individual tours of Würzburg – an allround program that will make your visit an impressive and memorable experience. Long-Distance Bike Path Romantic Road

There can’t possibly be a better way to experience Germany’s best known and most popular route than by bicycle! Würzburg is the gateway to the Romantic Road and it’s many highlights: There are the towns of Rothenburg with its entrance gates and fortified towers, the romantic town of Dinkelsbühl, Augsburg, the city of the Fugger, the fairy-tale castle Neuschwanstein. Then there is the wildly romantic valley of the Tauber river, an ancient meteor crater near Nördlingen, as well as the impressive views of the Ammergauer Alps. Bicycle away from traffic on designated bike paths or lightly traveled secondary roads. Ride alongside the rivers Main, Tauber, Wörnitz, and Lech. There are no mountains here or highly aerobic ascends. Cities as well as small towns along the way offer many options for nourishment and an overnight stay. The 460 km long trail from Würzburg to Füssen is well marked and suitable for families with children.

From April through October, the Romantic Road Coaches can shuttle you and with advance reservation also your bicycle along the route. This allows you to ride segments of the trail or provides a way back to the starting point of your trip.

Terms of Accommodation and Agency

Congress-Tourismus-Würzburg, proprietor of Würzburg and referred to in the following as “CTW” for short, arranges accommodation for guests in lodging establishments, hereinafter referred to collectively as “Host”, in the Fränkische Weinland (Franconian Wine Country) region and has, therefore, agreed as agent in relation to an accommodation service, CTW shall only act as an agent in relation to an accommodation service in behalf of such host if the value of the ancillary services provided together with the accommodation service does not represent a substantial part of the total value of services provided by the host and, if these ancillary services do not constitute a material characteristic of such service offered by the host and has also not been advertised as such.

CTW shall act as an agent of combined travel services, if a combination of travel services offered by CTW fulfills the pre-requisites as defined in the statutory provisions of Section 651w of the German Civil Code.

CTW shall not be liable in relation to any information provided by the host as regards prices or services nor in relation to the due provision of services as such nor in relation to any liabilities based on statutory law, especially on the basis of compulsory provisions in relation to tele-services and e-commerce remain unaffected by the aforementioned exclusion of CTW’s liability.

1. Status of CTW, applicability of these terms and conditions

Subject to the calendar date on which an accommodation contract is concluded (pursuant to the provisions of the new statutory travel law which comes into effect as of 1 July 2017) the following shall apply:

1.1. In relation to accommodation service contracts which are concluded prior to 1 July 2018, the following shall apply:

a) CTW operates various websites and publishes certain host directories, brochures, flyers and other print media or online publications, where CTW is clearly indicated as being the editor of such publications.
b) Moreover, in relation to any accommodation services which are offered together with certain ancillary services (e.g. accommodation and catering,), CTW shall only act as an agent in relation to an accommodation service on behalf of such host if the value of the ancillary services provided together with the accommodation service does not represent a substantial part of the total value of services provided by the host and, if these ancillary services do not constitute a material characteristic of such service offered by the host and has also not been advertised as such.
c) CTW shall act as an agent of combined travel services, if a combination of travel services offered by CTW fulfills the pre-requisites as defined in the statutory provisions of Section 651w of the German Civil Code.
d) Notwithstanding CTW’s statutory obligations when offering combined travel services (especially with respect to due delivery to the Guest of the information forms as provided by statutory law, and due provision of security in relation to customer payments in the event that CTW collects any Guest payments) and notwithstanding moreover the consequences provided by statutory law in case CTW should fail to observe its respective statutory obligations, CTW shall, provided it duly fulfills the pre-requisites as outlined in lit b) and c) above, act neither as a travel package tour operator nor as the Guest’s contract partner in relation to any accommodation contract concluded. CTW shall thus not be liable in relation to any information provided by the host regarding prices or services nor in relation to the due provision of services as such nor in relation to any liabilities based on statutory law, especially on the basis of compulsory provisions in relation to tele-services and e-commerce remain unaffected by the aforementioned exclusion of CTW’s liability.

1.2. In relation to accommodation service contracts which are concluded later than 30 June 2018, the following shall apply:

a) CTW operates various websites and publishes certain host directories, brochures, flyers and other print media or online publications, where CTW is clearly indicated as being the editor of such publications.
b) Moreover, in relation to any accommodation services which are offered together with certain ancillary services (e.g. accommodation and catering,), CTW shall only act as an agent in relation to an accommodation service on behalf of such host if the value of the ancillary services provided together with the accommodation service does not represent a substantial part of the total value of services provided by the host and, if these ancillary services do not constitute a material characteristic of such service offered by the host and has also not been advertised as such.
c) CTW shall act as an agent of combined travel services, if a combination of travel services offered by CTW fulfills the pre-requisites as defined in the statutory provisions of Section 651w of the German Civil Code.

2. Conclusion of contract, travel agencies, and legal effect of booking confirmation

2.1. On making the booking, the Guest offers to enter into a binding contract for an accommodation service, which shall thus be held contractually binding for both the Guest and Host and, supplementarily to the relevant legislative provisions, governs the contractual relationship between the Guest and Host and the agency activity of CTW. For these reasons you are kindly requested to carefully read through these Terms of Accommodation and Agency.

2.2. Bookings may be made verbally, in writing, by telephone, fax, or electronically (E-Mail, Internet). Electronic bookings are confirmed to the Guest electronically immediately on placement.

2.3. The contract shall come into force upon receipt of the acceptance declaration (confirmation of booking) on the part of the Host or CTW. This acceptance declaration need not be in written form, so even verbal or telephoned confirmation is legally binding for Guest and Host. As a rule, the Host or CTW as its representative will additionally send a written copy of the booking confirmation to the Guest.

2.4. Should the Host or CTW provide a special offer at the Guest’s request or that of the Booking Party, this shall, in deviation from the above provisions, constitute a binding contractual offer on the part of the Host to the Guest or Booking Party as applicable. In such cases, the contract shall come into force without requiring corresponding confirmation from the Host or CTW if the Guest or the Booking Party accepts this offer without reservations, changes or additions within the period prescribed in the offer by the Host or CTW. Should the Host or CTW have withdrawn the offer or the Guest has failed to accept the offer within the period prescribed in the offer by the Host or CTW, no contract is concluded.

2.5. In accordance with the applicable obligations as defined by law, the Guest is herewith duly informed that pursuant to the relevant legislative provisions (as stipulated in section 312g paragraph 2 sentence 1 no. 9 of the German Civil Code) the following applies: The Guest shall have no right to reject a contractual relationship concluded for the purpose of providing accommodation services, that has been concluded remotely (i.e. by way of letter, brochure, telephone, facsimile, email, via text messages as well as by way of broadcasting services via radio or TV). In such cases the Guest’s rights are limited to the event of rental services not being utilized (section 537 of the German Civil Code. In this respect, please refer also to the provisions stipulated in Article 6 hereunder). The Guest does however have a right to object if the contractual relationship relating to the accommodation service has been concluded outside of business premises, unless however, either one of the afore-mentioned or additional reasons applies or if the oral negotiations on the basis of which the contractual relationship was concluded, were conducted following the Guest’s respective request. In such cases the Guest shall have no right to object.

3. Prices and services

3.1. The prices indicated in the brochure are net prices and in-clude statutory value added tax and all additional expenditures unless indicated otherwise with regard to such additional costs. Additional charges might be made for optional or supplementary services.

3.2. The services to be provided by the Host are defined solely in the booking confirmation in connection with the valid brochure or property description as well as any supplementary agreements specifically concluded with the Guest/Booking Party. The Guest/Booking Party is advised to make any additional agreement in written text.

4. Payment

4.1. The time at which downpayments and final payments fall due is based on the corresponding arrangement agreed with the Guest or Booking Party and indicated in the booking confirmation. In the absence of any such agreement, the entire price of accommodation including additional costs and services shall fall due at the end of the Guest’s stay and accordingly be paid to the Host.

4.2. In the case of stays of more than one week, the Host may bill and request payment for the days of accommodation already provided and additional services rendered (e.g., catering services not included in the accommodation price, beverages, etc. from the minibar).

4.3 Even if not expressly indicated in the booking confirmation, the Host may, unless agreed otherwise in the individual case, request a downpayment amounting to 20 percent of the total price.

4.4 Payment in foreign currencies and by collection – only checks is not possible. Payment by credit card will only be possible by
6. Arrival and departure
6.1. The Guest should arrive on the agreed date of the stay by 12:00 midday or later than the agreed time of arrival. The Host’s failure to vacate the accommodation punctually will entitle the Host to demand extra payment. The Host reserves the right to assert further claims for damages in such instance.

7. Guest’s obligations, bringing of animals, cancellation by the Host
7.1. The Host is obligated to use the accommodation and its facilities and all of the Host’s facilities for their intended purposes only and with care and in accordance with any rules of usage which might exist, (e.g. in connection with a swimming pool and sauna).
7.2. The Host is obligated to notify the Host without delay of any defects and malfunctions. Infringements against this provision can constitute for a special agreement in this respect.
7.3. The Guest may only cancel the contract in the event of significant defects or malfunctions. Before doing so, the Guest shall within the framework of the notice of complaint insist the Host to remedy the defect or malfunction unless such remediation is not possible, or is refused by the Host, or if immediate cancellation is materially justified by a special interest of the Guest which is evident to the Host, or if such reasons make a continuation of the stay objectively unreasonable from the Guest’s point of view.
7.4. The bringing into and keeping of pets in the accommodation will only be possible if expressly agreed beforehand or provided for in the tender. Within the framework of such agreement the Guest is obligated to provide true and accurate information as to type and character of the pet. The Host is entitled to the Host to extraordinary cancellation of the accommodation contract.

8. Liability
8.1. The contractual liability of the Host for regaining provisions shall in each case three times the price of the stay, to the extent that damages to the Guest were caused neither willfully nor by gross negligence on the part of the Host and to the extent that the Host is responsible for damage arising to the Guest solely as a result of a vicarious agent’s negligence.
8.2. This provision shall have no bearing on any innkeeper’s liability for deposited objects as per Article 701 et seq. of the German Civil Code.
8.3. The Host shall not be liable for any disruption in connection with services clearly provided by third parties to and merely arranged for by the Host for the Guest/Booking Party during the period of lodging (e.g. sports events, theatre visits, exhibitions etc.). This also applies to third-party services already arranged for in conjunction with the booking to the extent that these are expressly identified as such in the tender or booking confirmation.

9. Statutory limitation
9.1. Contractual claims on the part of the Guest/Booking Party against the Host or CTW arising from injury to life, limb or health, including contractual claims for compensation based on negligent breach of duty on the part of the Host or CTW or on willful or negligent breach of duty by their legal representatives or vicarious agents will be subject to a period of limitation of three years. This also applies to claims for reimbursement for other damage arising from grossly negligent breach of duty on the part of the Host or CTW or from willful or grossly negligent breach of duty by their legal representatives or vicarious agents.
9.2. Any and all other contractual claims will be subject to a period of limitation of one year.
9.3. The period of limitation as per the foregoing provisions shall in each case commence at the end of the year in which the claim was asserted and in which the Guest/Booking Party became aware of circumstances which justify such claim and in which the Host or CTW became aware of their liability or should have become aware thereof had it not been for gross negligence.
9.4. If negotiations are in progress between the tourist and the Host and/or CTW in respect of lodged claims or the circumstances upon which the claim is based, the period of limitation shall be suspended until such time as the Guest or the Host and/or CTW refuses to continue with the negotiations. The afore-said period of limitation of one year shall only be regarded as having expired after three months after said suspension.

10. Alternative settlement of disputes
10.1 With respect to the newly introduced legislation regulating the settlement of consumer disputes (Gesetze über Verbraucherschiedsstreitbeilegung) CTW advises herewith that neither CTW nor the Host currently participate in any such voluntary settlement programme. In the event that the participation in such a programme became obligatory in the future course after printing and publishing these terms and conditions, CTW/the host shall duly inform their Guests accordingly. In relation to all contractual relationships concluded electronically, CTW/Guest/the Host makes reference herewith to the European dispute settlement platform http://ec.europa.eu/consumers/odr/.
10.2. The contractual relationship between the Guest/Booking Party and the Host or CTW shall be governed exclusively by German law. The same shall apply to other legal relationships between the parties.
10.3. The Guest or Booking Party may only take legal action against the Host or CTW at their place of registered domicile.
10.4. As regards legal actions on the part of the Host or CTW against the Guest or Booking Party, the latter’s domicile shall be authoritative. The place of jurisdiction shall be the place of registered domicile of the Host as regards legal actions against guests or booking parties who are business persons, legal entities under public or private law or persons who live/whose place of business or usual place of residence is abroad or whose domicile/place of business or usual place of residence is unknown at the time of commencement of the action.
10.5. The aforementioned provisions shall not apply if and to the extent that other statutory provisions or provisions to other international provisions are applicable.
Conditions for Reservations and Contracts for Guided Tours: City of Würzburg Congress • Tourismus • Würzburg (CTW) and Tour Guides Würzburg

Dear Guests,

The following terms of contract on the one hand regulate the legal relationship between Congress • Tourismus • Würzburg, a proprietary operation of the City of Würzburg and referred to in the following as “CTW”, and yourself, referred to in the following as “Customer” or, as applicable, with the person/institution booking the guided tour—on the other hand, they regulate the legal relationship between you and the tour guide arranged for by CTW. To the extent that they are effectively referred to and not stated therein, a Term of Contract shall form integral content of the Contract of Service coming into force between you and CTW on the date respective to the guide in the event of your booking. For these reasons you are kindly requested to carefully read through these terms and conditions.

1. Status of CTW

1.1. The status of CTW in this context is solely that of agent between the Customer—or, as applicable, the party booking the guided tour—and the tour guide conducting said tour.

2. Status of the tour guide, applicable legal provisions

2.1. The legal relationship between the tour guide and Customer—or, as applicable, the party booking the guided tour—shall be primarily governed by the agreements conclu-
ded with the tour guide complementarily to these terms of contract and alternatively to the legal provisions set down in Article 611 et seq. of the German Civil Code relating to contracts for the provision of services.

sented by CTW as his legal representative, on the basis of the specifications relating to the respective tour and of these terms of contract.

3.2. If the booking is effected by a third party referred to in these terms of contract as “group customer”, i.e. an institution or a company (private group, adult education institution, school class, association, tour operator, incentive or event agency, travel agency), the latter as sole booking party personally named and booked partner within the framework of the agency contract or the contract with the tour guide within the frame-
work of the service contract to the extent that said group customer is not directly expressed as a legal representative of the ultimate partici-

3.3. If it has been expressly agreed that the group customer is effecting a booking as a legal representative of the ultimate partici-
ants, said group customer shall be person-
ally and directly liable for all obligations of the ultimate participants to the extent that he has taken over these obligations by virtue of express separate declarations.

3.4. The guided tour service contract shall come into force upon CTW’s confirmation of the booking or alternatively to the notice, CTW shall send a written copy of the booking confirmation to the Customer or the party ordering the tour. In the case of binding telephone bookings, the booking is conclusively valid independently of any receipt of the written copy of the booking confirmation and of any agreed advance payment.

quent performance of the guided tour at a later date.

6.6. Notice of cancellation may be given by fax (0049 (0) 931 36 36 99, or Email (service@wuerz-
burg.de) during the business hours of CTW’s head office (Monday – Thursday 8:30 am – 5pm, Friday 8:30 am – 1 pm). Said can-

tial services and modalities involved in the guided tour) may be made, free of charge, up to the fourth working day before the ag-
reed date of performance, after which it will only be possible to make changes by can-
celling the booking in accordance with the above conditions and subsequently making a new booking. Such changes shall not be con-
sidered valid until confirmed in writing by CTW.
9. Tour times, duties and obligations of the Customer

9.1. The Customer or group customer is required to indicate to a mobile phone number when booking or in due time before the agreed date of the tour, via which they can be contacted should the need arise. As a rule, CTW shall liaise with the Customer or an appropriately nominated person the mobile phone number of the respective tour guide.

9.2. Agreed tour times shall be strictly adhered to. If subject to any delay, the Customer shall accordingly notify the tour guide at latest by the time of the agreed tour's commencement and indicate the probable time of arrival. The tour guide may refuse to postpone the tour or, in case of tour guide's unavailability, to commence the tour.

9.3. Any delay in commencement of the guided tour for which CTW and/or the tour guide cannot be held responsible will in general not give rise to any entitlement to an extension of the tour's duration. 12. Statute of limitation and alternative settlement of disputes

12.1. With respect to the newly introduced legislation regulating the settlement of consumer disputes (Gesetz über Verbraucherstreitbeilegung), CTW duly informs the client herewith that it currently does not participate in any such voluntary settlement programme, unless specified otherwise within print or online advertisements published by the tour guide. In relation to all contractual relationships concluded electronically, CTW makes reference herewith to the European dispute settlement platform http://ec.europa.eu/consumers/odr.

12.2. Contractual claims on the part of the Customer/booking party against the tour guide or CTW arising from injury to life, limb or health, including contractual claims for compensation, that are based on said parties' negligent breach of duty or a deliberate or negligent breach of obligation on the part of their legal representatives or vicarious agents shall lapse after three years. 12.3. All other contractual claims shall lapse after one year.

12.4. The period of limitation as per the above provisions shall in each case begin from the end of the year in which the claim arose and in which the Customer/booking party became aware of or, with-out gross negligence on their part, had to become aware of said circumstances.

12.5. If negotiations are in progress between the Customer and the tour guide and/or CTW in respect of the claims lodged or the circumstances upon which the claim is based, the period and the limitation shall be suspended until such time as the Customer or the tour guide and/or CTW refuses to continue with the negotiations. The aforementioned period of limitation of one year shall become effective three months after such suspension at the earliest.

13.3. The Customer or booking party may only file a legal action against the tour guide or CTW at their general place of jurisdic- tion. If the booking party is a merchant, said jurisdiction is with the courts competent for the buyer's habitual residence or, failing this, the courts competent for the place of delivery. If the Customer or booking party is not a merchant, said jurisdiction is with the courts competent for the place where the tour is carried out.

13.4. The above provisions on applicable law and the place of jurisdiction shall not apply if determined otherwise in favour of the Customer or booking party by EU regulations applicable to the contract with the tour guide.
